Project: Softening The Hard Times.

Theme: Nourish the Nation

Easter has come and gone, and I think I missed it as it went so fast, Easter Bunny came and he gave us half eggs, we don't get whole eggs now, but the price is still the same. We had a lovely Easter the weather was good, and we biked around Te Anau visiting friends and family. We did the poker run this year on lake of Te Anau with the boat, they give you a map of Lake Te Anau and one card then you go up the lake to find another boat who will give you another card Graeme & Raewyn friends of ours came with us, of course someone went a little fast and we had time up our sleeve so Alan turned the engine off and we sat in a little bay up the middle arm it was just lovely no wind, sun was warm, the 4 of us put the world right got our 2nd cards, away we went to get the 3rd card, went to the club to get our fifth card, but as usual none of us even got a pair, that's why I don't gamble.

We went to Heather's place and had the family get together, Heather had her old movies out, I thought it was great, seeing Mum and Dad my late brother-in-law Wes it gave all of us warm fuzzies, its nice to look back. On Wednesday we have Alan's side of the family get together so it is Alan's brother turn and Keith, wants to go to Tuatapere for lunch, so that will be very interesting, if its good might be worth a minibus trip for us Institute members.

Keep warm and safe.

Yours in friendship

Christine.
