Hi Everyone

The daffodils look lovely in the garden and when you drive around the farmers have them in their paddocks, the little lambs jumping around, little calves running around trying to catch each other, I feel sorry for the farmers it's so wet for them. They will need good wet weather gear as there is lot of mud and water in their paddocks.

Mulvey Trophy is around the corner and I hope everyone has their articles ready for their table. I am looking forward to seeing all the entries. I hope I see a lot of members as we have to discuss our future.

National want the Federations and Institutes to do a 6 month annual report, unfortunately this means more work for everyone.

They require your January – June 2027 statements. I will send the attachments to the secretaries or your Treasurers that National have sent to us. If you can't do the spread sheet, Norma or myself will help you. Please send your workings so we know how to fill the form in. Can you sent this in to Norma as soon as you can.
