

***NORTH TARANAKI DISTRICT FEDERATION OF WOMEN'S INSTITUTES
NEWSLETTER - MARCH, 2023***

THEME

Vision for All

PROJECT

Looking for Opportunity in Your Community

Dear Members, Well what a very successful creative arts day 305 entries last year we had 160 so thank you to you all for entering there was a lot of beautiful hand work and a busy day. Thank you to New Plymouth Central for doing a lovely morning tea and extra help in general, also Tikorangi for arranging lunch to Tarata for organising the produce stall and for Dorothy Enright who feed and watered the points people and federation members who were writing up the certificates. We need all the extra help to run these days As a President I was over joyed with the support to make the day so successful.

We have 5 members heading to Timaru for the AGM so we wish them well for a good trip and hopefully they will come home with plenty of insight to how institute will continue. As the weather turns cooler and we tend to stay at home more don't forget to keep in touch with other members.

I hope you have all received the plea letter from myself regarding Treasurer and Secretary positions on Federation if you haven't please ask your President for a copy and hopefully we may have a reply.

Results Creative arts day

Most Entries New Plymouth Central

Most Points Durham

Member with most points Raewyn Lucinsky

Best exhibit Diane Lithgow

Congratulations the points were very close

Dates to Remember

National AGM Timaru 29th 30th May

Reminders

Can you please read and discuss remits and get back to federation with your thoughts, also ideas for winter outing and country ideas for international day.
